

## 3 Question Bible Study Directions

<p><b>Read God's Word</b> Look at the passage</p>	<p><b>1: What Does God's Word Say?</b> List the facts</p>	<p><b>2: What Does God's Word Mean?</b> Learn the lessons</p>	<p><b>3: What Does God's Word Mean To Me?</b> Listen to His voice</p>
<p>Begin by reading the designated passage of scripture.</p> <p>Write out the passage verse by verse in this first section.</p>	<p><b>Be Literal.</b></p> <p>Make a verse by verse list of the most obvious facts using the actual words from the passage itself. Do not paraphrase. Do not get caught up in the details.</p> <p>Ask yourself: Who is speaking? Who is the subject? Where is it taking place? When did it happen?</p>	<p><b>Be Spiritual.</b></p> <p>Look for a spiritual lesson or principle within each fact.</p> <p>Ask yourself: What are the people in the passage doing that I should be doing? Is there a command I should obey? A promise I should claim? A warning I should heed? An example I should follow?</p>	<p><b>Be Personal.</b></p> <p>Put the lessons you found in Question 2 into the form of a question that you would ask yourself or your child, spouse, parent, neighbor, co-worker, friend or church member.</p> <p>As you write out the questions, listen for God to communicate to you through His Word. Don't rush. Take the time to prayerfully meditate and discover what God is saying to you.</p>
<p><b>What Will I Do To Live It Out?</b></p> <p>Read the lessons prayerfully, objectively, thoughtfully, and attentively as you listen for God to speak. He may not speak to you through every verse, but He will speak. When He does, record the verse number, what it is He seems to be saying to you and your response to Him.</p>
