Psalm 119

My paternal grandmother memorized Psalm 119 as a girl, and recited it on her deathbed.

- **Read Psalm 119**, underlining every time God's Word or an interchangeable word (such as "law," "statutes," "decrees," "commands") is mentioned. How many did you find?
- Which verses were most meaningful to you? Why?
- Memorize your favorite verse in this Psalm, then share it with someone else.
