New Assignments

AnGeL Ministries is a unique spiritual Special Ops Team, comprised of our Board, staff, prayer teams, and myself. Together we have carried out God's assignments with joy, love, unity, and excellence. As we reflect on this past year, we stand amazed at all God has given us opportunity to accomplish as we have accepted and followed through on these assignments. Truly we caught the Wind of the Spirit in our *1 1 1: Pre-Prayer for the New Year* and *8 8 8: God Speaking* audio scripture initiatives that engaged tens of thousands of participants; in our social media that has seen over two million people viewing our Facebook posts; in our videos and blogs; and in a multitude of radio and print interviews. We invite you to praise God with us and give Him the glory!
