

“I, Jesus,
have sent my AnGeL
to give you this testimony...”

— Revelation 22:16

PRAYER

AnGeL Ministries was established on June 2, 1988, and thus our journey of obedient faith began. We have deeply desired to be Spirit-led, which has required making prayer a priority. Two prayer teams of women who pray daily and meet weekly are currently active. Three of the fourteen women have been faithfully praying since the beginning over 30 years ago. *Not by might, nor by power, but by My Spirit, says the Lord.*

Outside, the crisp mountain air and the towering pine trees sweeping upward toward a loudless sky spoke of the glory of God. Inside, where the communion elements were being passed from hand to hand, women brushed tears from their eyes as they experienced the glory of God in a new way. ...

this weekend, that we might come to know God's Word, that we might be able to fill ourselves up from it, and that we might be able to give it out to others."

A fine balance of the practical and the spiritual was achieved in the three workshops and four seminars offered during the conference. In the workshops Mrs. Lotz demonstrated

1988 - FIRST TRIP

Anne's first assignment is still one of her most memorable. She gave multiple messages to a conference of over 600 pastors in Suva, Fiji. The response was at revival level. But the highlight was a women's meeting she insisted on leading, where participants walked barefooted for miles in order to attend, sat on barrels and boxes in a storage room, and listened eagerly to God's Word.

1988 - THE COVE

During the first year of AnGeL Ministries, Anne held a seminar at the brand new Billy Graham Training Center at the Cove. The seminar, entitled *Filling Up to Overflow*, lived up to its name and was so successful she has held it under various themes every year since.

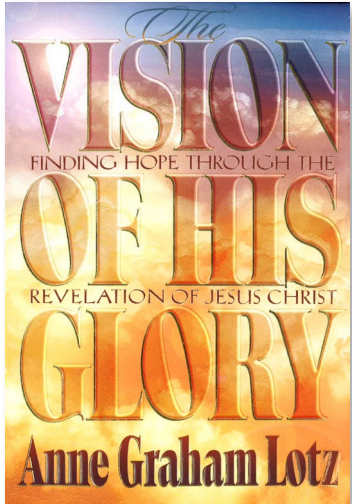

1989 - INTERNATIONAL MEETINGS

Just as God had promised, He began sending Anne into the world. Literally. She has now held meetings on every continent except Antarctica. Her first of three tours of South Africa, hosted by St. James Church in Cape Town, took place the second year of AnGeL Ministries.

1996 - FIRST BOOK

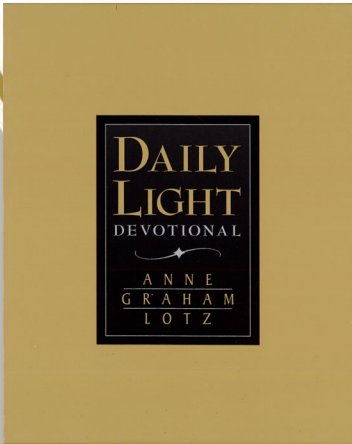

While Anne had self-published Bible studies, her first published book was *The Vision of His Glory: Finding Hope in the Revelation of Jesus Christ*. It was also the first of four of her 16 books to receive the Evangelical Christian Publishers Association Gold Medallion Award.

1998 - FIRST DEVOTIONAL BOOK

Shortly after Anne's first book was published, Jack Countryman approached Anne and agreed to republish a volume that has been used in Anne's family for generations, *Daily Light*. Anne's grandmother gave her mother a copy of *Daily Light* when she was 10 years old, living in China. Anne's mother gave Anne a copy of *Daily Light* when she turned 10. Anne gave each of her own children a copy of *Daily Light* on their tenth birthdays. And Anne's daughter has given her children copies of *Daily Light* when they turned ten.

2000 - NATIONAL TELEVISION

One of Anne's first national television opportunities was an interview on Larry King Live. It went so well that she was invited back on his show multiple times. She subsequently received invitations to appear regularly on ABC, CBS, NBC, and FOX News talk shows.

By DAVID VAN BIEMA, RALEIGH

THE WOMAN IN THE DENIM DRESS... Anne Graham Lotz's second daughter, just completed a dis-

course on the Gospel of John before 3,000 women at the Convention Center in Raleigh, N.C. In the course of her message, she has lived the terrible ways in which a believer's faith can be tried. "Maybe Jesus did a few things for them at the beginning and answered their prayers. But then what happened? Did they get hit with cancer? Or did something happen to their child? Or maybe they lost their job..." In fact, something did happen to the denim-clad woman: a child two weeks ago, he was murdered. As the woman sobbed out her sorrow and pressed a Bible forward to be signed, the normally regal, impeccably coiffed speaker, seemingly rattled, broke down and cried with her.

It is the sort of thing Lotz will need to get used to. Starting this Friday in Knoxville, Tenn., Graham's 33-year-old daughter, long called the offspring who most fully inherited her preacher's gift, is scheduled to face not just thousands but tens of thousands of the faithful in a free-of-charge, five-city revival tour titled *Just Give Me Jesus*. That ministry, at arenas seating as many as 20,000, moves her into an orbit nearly as exalted as that of FATHER'S AFFAIR. Right, left, and Billy were enthusiastic about Anne's upcoming tour

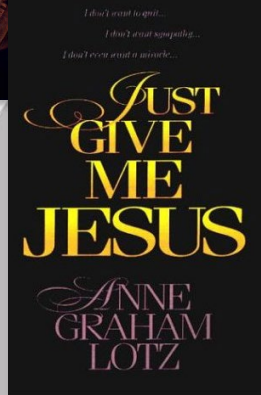

2000 - NATIONAL PRINT MEDIA

Time magazine sent their religion editor, David Van Biema, to cover the first *Just Give Me Jesus* revival. As a result of the article that followed, many media outlets picked up the news and helped promote subsequent revivals.

2000 - BEST SELLER

The release of Anne's book, *Just Give Me Jesus*, was divinely arranged to coincide with the first revival by the same name. The combination launched the book almost immediately into first place on the ECPA bestseller list where it remained for weeks.

2000 - REVIVALS

After twelve years of traveling the world to share God's Word in a variety of settings to multiple audiences, God called Anne to hold *Just Give Me Jesus Revivals* in arenas throughout the United States and the world. The primary purpose was to cause those who attended to experience personally a fresh touch from Heaven. The very first one was held free of charge in the Thompson-Bowling Arena in Knoxville, TN. The revival chairpersons raised enough money to not only pay for the first revival, but also helped pay for the next one in Dallas/Fort Worth, which gave us a financially strong launch.

2000 - 5115 HOLLYRIDGE

The staff of AnGel Ministries began working from their homes. Then we moved to a church. In 2000, we bought our office building where we work from today.

2005

2005 - NATIONAL RADIO BROADCASTS

God seemed to speak to Anne through Zechariah 4:10 not to despise the day of small things. Shortly after, she had the opportunity to go on national radio with sixty-second spots. The ministry decided to make an initial investment for production. The result is that Anne records the daily spots in the AnGel Ministries studio, which are now heard as *Daily Light for Daily Living*, on over 664 radio outlets in 48 states and 11 countries free of charge to the ministry.

2008

2008 - BIBLE STUDY VIDEO CURRICULUM

While several of Anne's Bible studies have been published as video curricula that can be used privately or in a group setting at home or in church, the *I Saw The LORD* Bible study curriculum included Henry Blackaby and Crawford Loritts. Our ministry team used it in an all-day breakaway at the office, with powerfully effective results.

2003 - BREAKAWAYS

At the urging of the leadership of *Just Give Me Jesus/San Diego*, we returned to offer a three-day Breakaway entitled *A Passionate Pursuit*. Emceed by Priscilla Shirer, with Fernando Ortega leading worship, Jill Briscoe taking us deeper in prayer, and Anne challenging us to pursue Jesus by going deeper into His Word, it was the first of many powerful retreats offered in revival cities.

2006 - I SAW THE LORD

Anne increasingly became focused on revival within the church. She was invited to hold the first of multiple church-wide revivals entitled *I Saw The LORD*, in Maranatha Chapel, San Diego, CA.

2009 - WORLD ECONOMIC FORUM

In 2009 and again in 2011, Anne had the privilege of being invited to attend the World Economic Forum in Davos, Switzerland, as a world religious leader.

2011

2011 - FIRST CHILDREN'S BOOK

With the arrival of Anne's three granddaughters, her attention was drawn to the spiritual needs of children in a fresh way. In 2011 she published a book for children, *Heaven: God's Promise for Me*, with the express purpose of leading little ones to Jesus. It was quickly followed by a Bible study video curriculum, co-authored by her daughter, Rachel-Ruth Wright, and aimed at effectively helping children get into God's Word.

2011 - SIMULCAST

As Anne's burden for revival grew heavier, she asked Joel Rosenberg to join her for a national simulcast, *A Wake-Up Call for God's People*. Over 200 churches signed on to join by live stream as Anne and Joel challenged them to return to the Cross, repent of sin, and recommit their lives to Jesus.

2011 - EPICENTER CONFERENCE

The last time Anne had been to Israel was when she was 16 years old. So when Joel Rosenberg invited her to be one of the speakers at his conference in downtown Jerusalem, she eagerly accepted. Little did she know at the time that God would open the door for her to return to Israel multiple times in the years that followed.

2012 - UGANDA

At the urging of multiple people, Anne accepted an invitation to conduct ten days of intense ministry and training entitled *Rooted in MORE of Jesus*, for the purpose of encouraging and equipping the leadership of the church in Uganda. It was followed by a video Bible study curriculum that was distributed by Far Reaching Ministries.

2012 - MINISTRY WITH RACHEL-RUTH

Anne and her daughter, Rachel-Ruth, had one of their first opportunities to share a platform when they were invited by Cathe Laurie to be the main speakers at a women's conference hosted by Harvest Christian Fellowship in Riverside, CA.

2012 - CHANGE

In 2012 Anne made the decision to stay closer to home in order to care for her husband, who was in declining health. But she did not feel released from ministry, so turned her attention to radio, videos, an updated website that was transformed from a magazine format to a ministry platform, a mobile app, and an increasingly robust online presence.

2013 - TOUR OF ISRAEL

Anne led 80 people on her first tour through His Land. As the participants boarded the buses to go to the airport for their flight home, one man turned to Anne and said he had begun the tour as a tourist, but he was going home a disciple!

2013 - LAST REVIVAL

Our *Just Give Me Jesus Revival* in Indianapolis was supported by the local churches, community leaders, and the governor at the time, Mike Pence. This turned out to be our last revival. With the untimely death of our beloved revival director, Caryn Lavin, we felt God closing the door to this aspect of our ministry.

2013 - WEEKLY RADIO

As so often happens, when God closes one door He opens another. So as He closed the door to arena revivals, He opened the door to a weekly, thirty-minute radio broadcast entitled *Living in the Light*. It is now heard on 329 radio outlets in 36 states and 5 countries.

AN URGENT CALL TO PRAYER
JULY 1 - 7, 2014

2014 - PRAYER INITIATIVES

Staying home caring for Danny gave Anne opportunity to slow down and consider world events with a fresh vision. The result was a burden for prayer that launched our first online initiative, *777: An Urgent Call to Prayer*. Over 120,000 people signed up to receive Anne's prayers so we could all pray "together" with one heart and one voice in the 7th month (July), each day of the first week, for one hour each day. Over the next two years, this initiative was followed by four others.

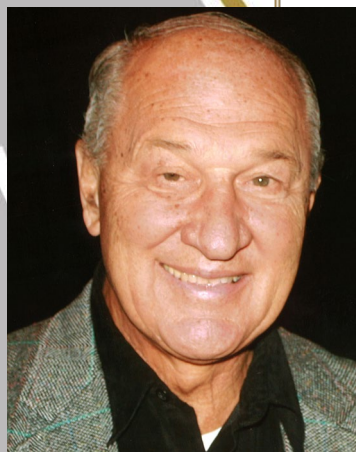

2014 - BLOGS

A revamp of our website included not only a more user-friendly site, but also a place where Anne began writing and posting her blogs. Her latest blog, posted in September, reached hundreds of thousands of people on Facebook and was liked by thousands more on Instagram.

2014 - FACEBOOK

In 2014 100,000 likes confirmed Anne's decision to give her attention to social media. It has now grown to over 4 times that number.

2015 - DANNY

On August 19, 2015, Anne's husband of 49 years moved to Heaven, our Father's House. The celebration of his life and legacy was attended by over 1500 people, while also live streamed with 6,600 people tuning in. It has been viewed multiple times since on our website, as an incredible glimpse of a man of God who invested in the lives of others.

2016 - AUDIO BIBLE READING

In 2016, we partnered with *Faith Comes By Hearing* to offer an online audio Bible reading in 1000 languages entitled *888: God Speaking*. During August 1-8, for one hour each day, tens of thousands of people listened to Anne as she introduced, explained, and concluded the reading of each passage.

2017

2017 - BOOKS

God divinely orchestrated that Anne's 16th book, which focuses on Daniel's prayer in chapter 9, was released within one week of the announcement of her chairmanship of the National Day of Prayer. It made several best-seller lists and was followed by a video Bible study series that was filmed in Anne's home. Over 75,000 people registered to participate when Zondervan offered it online for a limited time.

2017 - NATIONAL DAY OF PRAYER

In 2014 Anne served as the honorary chair for the National Day of Prayer. Two years later, and seven months after Danny went to Heaven, Shirley Dobson asked Anne to be the National Chair. After much prayer and fasting, Anne agreed. Under her leadership, the national observance was moved from an office building to Statuary Hall inside our nation's capital. She served in this position for approximately 16 months before a reorganization eliminated the need for her position.

2018 - INDIA

Although God had closed the door on Anne's leadership in the National Day of Prayer, He opened another one in India. In 2018 Anne accepted an invitation issued by a group of Indian pastors and leaders to speak at their National Day of Prayer held on the parade grounds in Hyderabad, India. It was officially estimated that over 500,000 people attended and heard her challenge to pray more effectively.

2018 - JERUSALEM

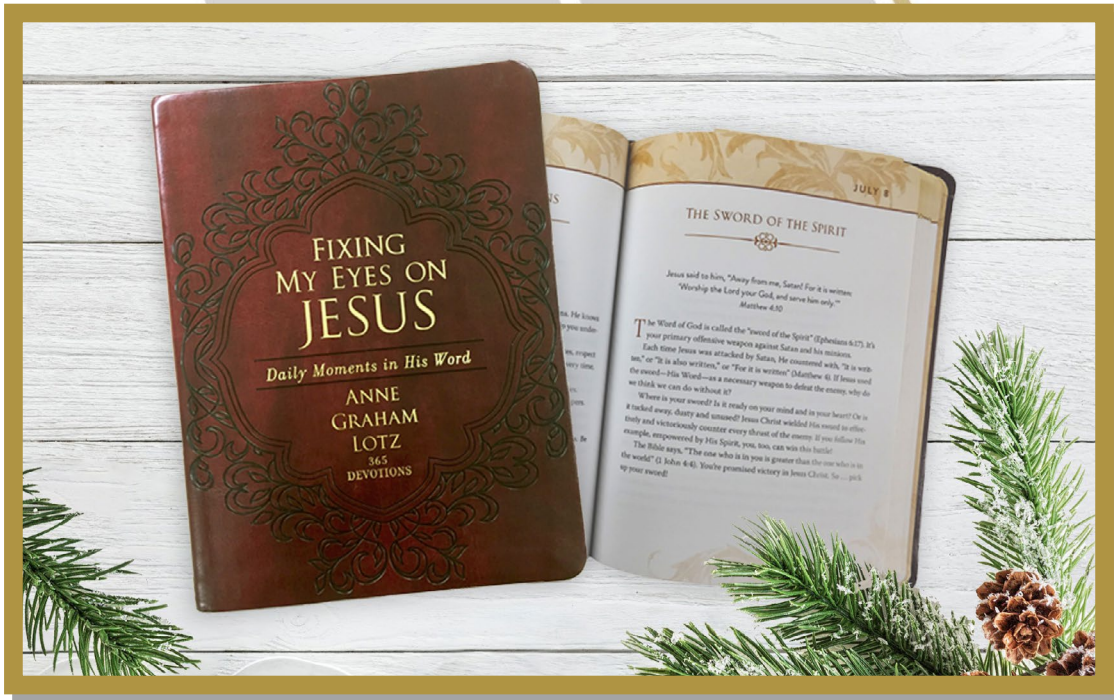

Later that same year God opened the door for Anne to speak at the Israeli Knesset, and also to address two different times the hundreds of delegates who came to Jerusalem from over 650 countries around the world for the 2nd Annual Prayer Breakfast to pray for the peace of Jerusalem.

2018 - CANCER

On August 17, 2018, Anne received the diagnosis that she has breast cancer. She was immediately filled with peace, joy, and the conviction that in some way, this is her new ministry assignment from the Lord. We have yet to see how things will unfold, but the outpouring of love, support and prayers from tens of thousands of people around the world is immensely encouraging. We are all standing on tiptoe in our spirits to see how God will use this new assignment for His glory.

FIXING MY EYES ON JESUS

NEW Deluxe Large Print Leathersoft Edition

Getting up early in the morning to fix my eyes on Jesus through prayer and reading His Word is like setting my spiritual compass. Because no matter what faces me during the day, or how “lost” and confused I can become, or how many decisions and choices I’m confronted with, my heart and my thoughts always turn toward Him. And He invariably leads me on the right path.

My prayer is that the devotions in this volume will help you fix your eyes on Jesus every day, so that you, too, can set your spiritual compass.
