We at AnGeL Ministries invite you to join us in reflecting on God's goodness throughout this past year. As always, the assignments God has given us have been incredibly varied, challenging, and fruitful. Truly we seemed to have caught the Wind of His Spirit in our summer devotional Bible study, *The Daniel Key*, that had over 20,000 registrations, many of which were groups of multiple participants. Our online community has more than quadrupled, and quite a few of our videos and blogs have gone viral. As you read the following list of highlights, we pray you, too, will have a heart overflowing with thanksgiving to God for all that He has done through your partnership with us in AnGeL Ministries.

**From India to my Father's funeral to Jerusalem to the UNC Breast Cancer Center, your prayers, letters, cards, gifts, emails, texts, social media postings, and financial support have carried us through 2018, not just somehow, but triumphantly! You fill our hearts with thanksgiving! For what is our hope, our joy, or the crown in which we will glory in the presence of our Lord Jesus when he comes? Is it not you? Indeed, you are our glory and joy.**
