As a spiritual Special Ops Team, our ministry “abounds in every good work” as we give Jesus to the world. Our ministry exists to share God’s Word, God’s Son, and God’s Gospel wherever He sends, to whomever He directs, and to faithfully deliver His message from His Word. God has graciously met our needs for almost thirty years. We have been privileged to watch the Lord use our “five loaves and two fish” of time, finances and staff to transform lives as we have completed the assignments He has given.
