

BUY ONE ITEM, GET ONE FREE TO SHARE (ONE FREE ITEM PER TITLE)

Q: WHAT IS THE 2025 BUY ONE GIVE ONE CHRISTMAS OFFER?

DATES AVAILABLE: ORDER BETWEEN NOVEMBER 3 – DECEMBER 31, 2025

When you purchase a resource, you will receive a second copy of that same exact title at no extra cost. Keep one for yourself and share one with a friend, family member, or neighbor.

Q: WHY THIS OFFER THIS YEAR?

To share Jesus with others.

We believe God is moving across the world and we want to be a part of the revival happening. As hearts are turning towards Him, our prayer is that believers are equipped and ready to disciple them and that these resources can be a blessing to you both.

HOW DO I ORDER ON THE WEBSITE?

- Visit annegrahamlotz.org/store
- **Add your resource to the cart and your free resource will be automatically added to the cart!**
- For international or expedited orders please call our office.
- Please note: Orders may take up to 5 days for processing prior to shipping.
- **To receive your items before Christmas order by December 15, 2025.**
- Have Questions? Call our office at (919) 787-6606

Q. WHAT IF I ORDER MORE THAN ONE ITEM?

You will get one free copy of every title you order—one free for each different title.

For example: You order one copy of *The Vision of His Glory* and one copy of *Preparing to Meet Jesus*. You would be eligible to receive one free copy of *each* of those titles (Receiving four total books in your order).

In the example below - as you order three different titles, the free items will be automatically added to the cart and the cart will show the discount for each of the titles.

Q. WHAT WILL THE DISCOUNT (B1G1) LOOK LIKE IN MY SHOPPING CART? Will I see the free item listed in the cart and my order confirmation?

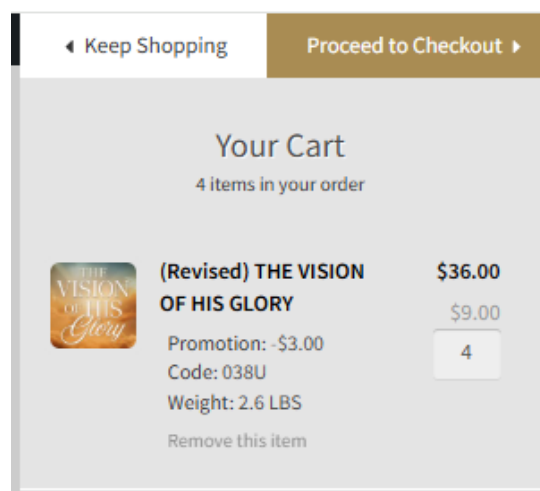

You will not see the free item listed as \$0.00 on your order.

The website CART will apply the dollar value discount across your order.

In the example below - as you order one item (original price of \$12.00), the cart will automatically add the second free item and spread the value of the discount (getting one free at a cost of \$12.00) across the two items. This will show in your cart as a cost of \$6.00 for each item.

In the example below - as you order more than two items (original price of \$12.00), the cart will spread the value of the discount (getting one free at a cost of \$12.00) across the multiple items (in this example we ordered four books). This will show in your cart as a cost of \$9.00 for each item for a total of \$36.00)
